(Ebru News/Cihan) Sacred Trust in famous Topkapi Palace in Istanbul is now on display on the web. The invaluable belongings of the Last Prophet and many other pieces from the Islamic world can now be visited on the Internet. The 360 degree virtual tour gives the visitors the opportunity to see the Sacred Trust from a distance.

Sacred Trust in Topkapi Palace is now just a click away.

The website, [www.360tr.com](http://www.360tr.com) takes you directly to Sacred Trust in Topkapi Place.

Sacred Trust was filmed as a result of two year's work to launch on the web. During the process some 1250 panoramic photos have been taken. The pictures processed through special techniques were made a virtual tour project.

In the project which gives the opportunity to see a 3D tour from 13 points, Sacred Trust can be visited seeing all the details. Visitors can view The Holy Mantle, The sacred Strands of Hair, The Prophet's Footprint, and Sword of the Prophet on the site.

[www.360tr.com](http://www.360tr.com) multi-media group which is due to film Jerusalem and Al Aqsa Mosque using the same technique in Topkapi is also planning the artistic, historical and architectural structure of Istanbul under the title of "360 degree Istanbul" on
